

Enrolling Your Child

Trimble County Public Schools welcomes your child and you to our district. In order to make the process as smooth as possible and reduce delays in obtaining necessary information, we ask that you follow this guideline to complete the registration:

Step I: Complete a Student Enrollment Form for each child enrolled in the Trimble County Public Schools.

Step II: Collect the following to complete registration and return everything to the office of the school that your child will be attending.

- * Proof of residency (utility bill, rental agreement, driver's license)
- * Birth certificate (official Vital Statistics form)
- * Social Security card
- * Eye Exam for 1st time enrollment into Kindergarten
- * Dental Screening for 1st time enrollment into Kindergarten
- * In-state immunization certificate
- * Physical by physician for 1st time enrollment in Kentucky school or 6th grader
- * Transcript from previous school for high school students
- * Last report card for elementary and middle school students
- * Special education info if applicable (current IEP, conference summary from last ARC)
- * Medical info if special condition exists
- * Guardianship documentation signed by judge if not being enrolled by parent

If you have questions, you can call the Central Office at 502-255-3201 or your child's school.
